# MAIN BENEFITS

## EASY INSTALLATION

Porcelain slabs are designed to cover larger areas, which means there may be fewer cuts required during installation. This not only saves time but also reduces the complexity of the installation process. Slabs are designed to install with both new and retrofitted substrates.

- ☒ Faster installation
- ☒ Easier alignment
- ☒ Reduced cutting
- ☒ Minimal grouting

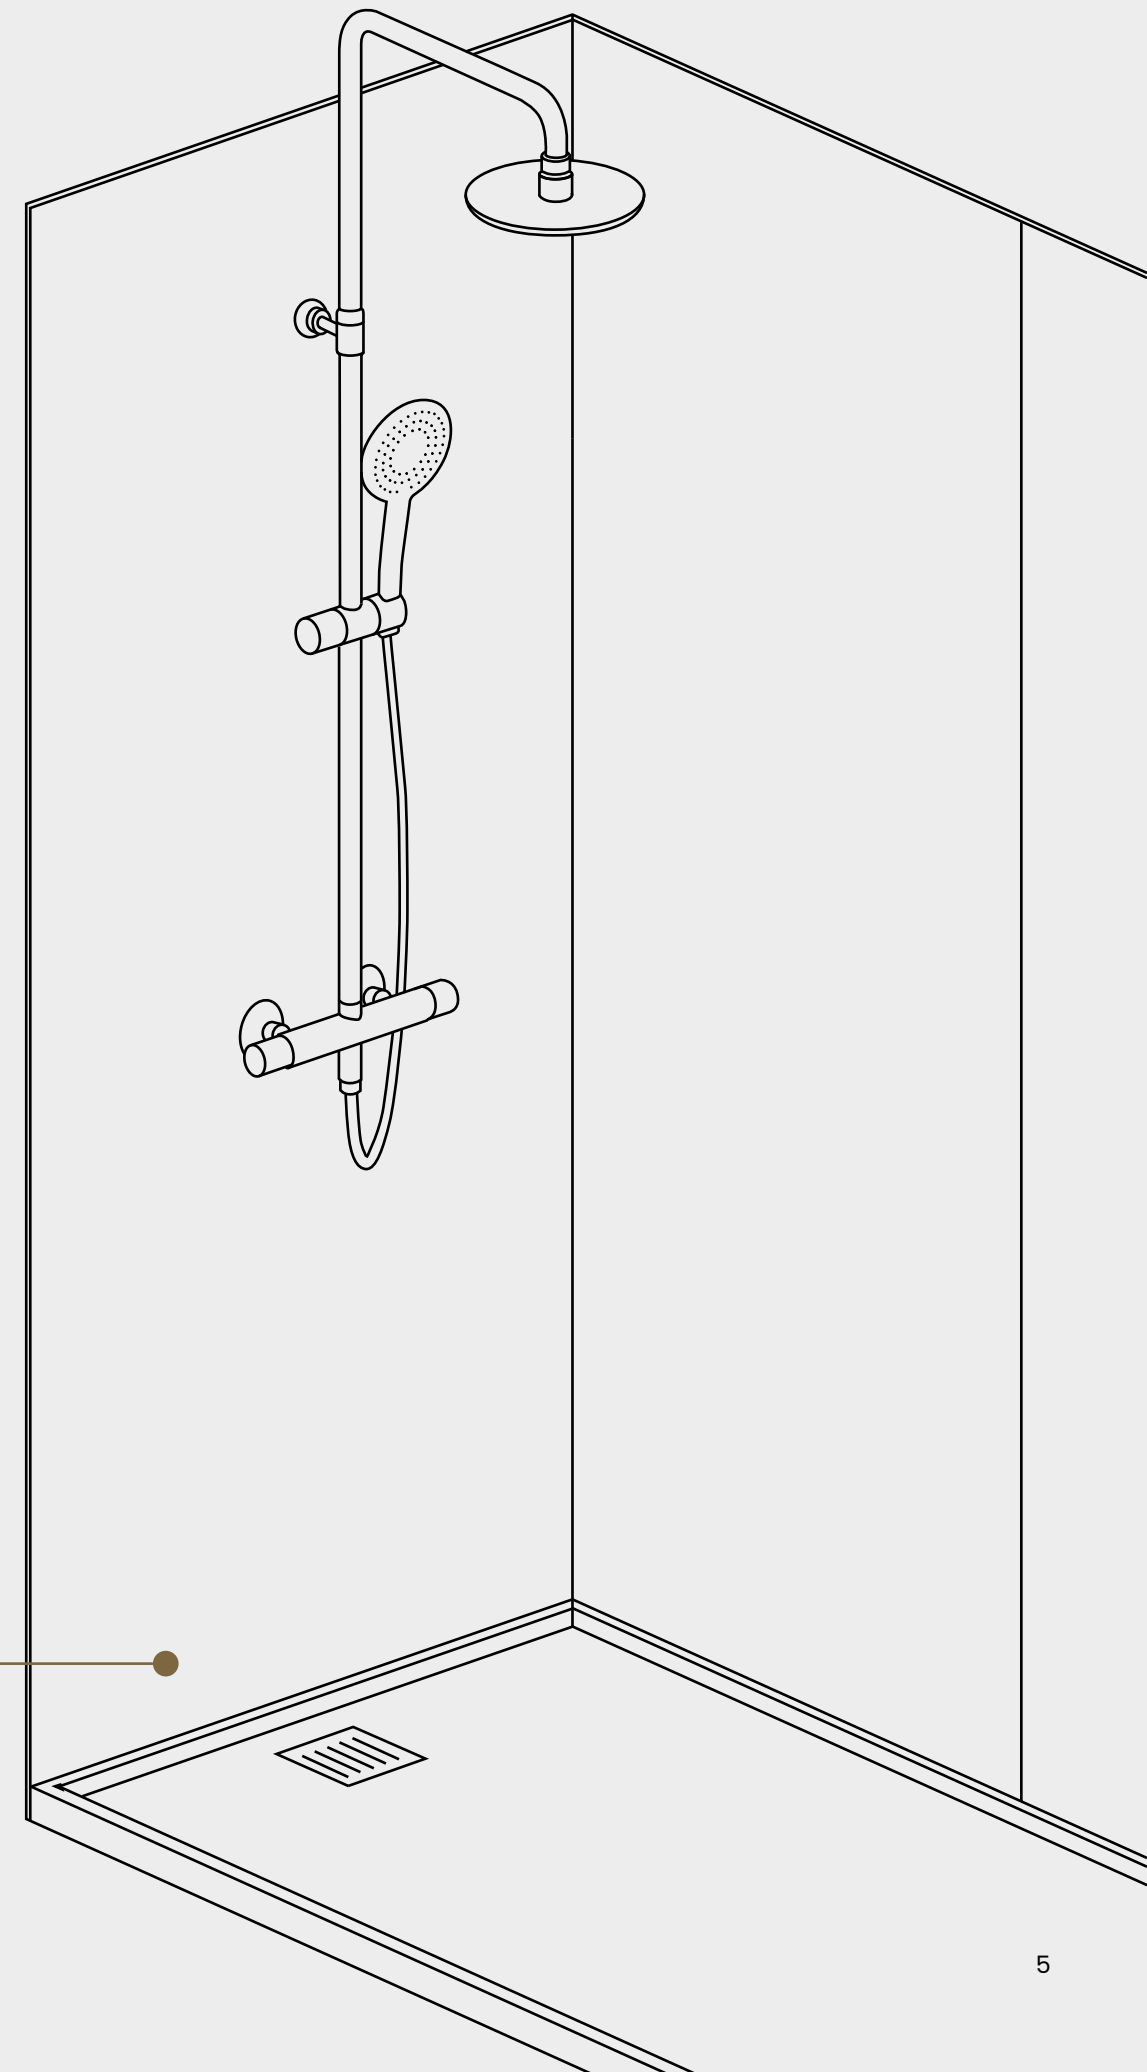

## LONG LASTING DURABILITY

Porcelain slabs are known for their exceptional durability, making them suitable for demanding environments. They are resistant to scratches, stains, and fading, ensuring that your design remains intact and beautiful for years to come.

- ☒ Scratch and stain-resistant
- ☒ Easy to clean
- ☒ Easy elimination of germs, bacteria and viruses

## ON TREND DESIGN

With fewer grout lines, the surface appears more uniform and uninterrupted, giving a clean and sophisticated appearance. This seamless effect can make a space feel more spacious and visually appealing.

In the rhythm of exceptional design

# BRAZILIAN QUARTZITE

collection

Brazilian Quartzite tile shower kits provide a harmonious blend of natural beauty, exquisite craftsmanship, and high-end fixtures. With its captivating patterns, seamless design, and spa-like features, this shower would provide a luxurious and indulgent bathing experience. A true statement of opulence and style, transforming your bathroom into a haven of luxury.

The grandeur of marble

# CALACATTA GOLD

collection

The Calacatta Gold collection is where we find beautiful veining patterns of luxury marble in porcelain stoneware tiles to add glamour and timeless elegance to the interior. Tiles in white and grey colours, with slight gold tinting, brighten and revitalise the arranged space.

Perfect Imitation

# CALACATTA WHITE

collection

With its white tints, the Calacatta White collection shows the Statuario lines of the most beautiful white marble, with excellent precision.

The polished surface of these tiles is reminiscent of Mediterranean like interiors, while the matt version fits perfectly into modern aesthetics, complementing wood and metal textures.

Raw Mastery

# SOFTCEMENT

collection

Fans of minimalistic interiors will greatly enjoy the structure of concrete that inspired the Softcement tile collection.

The imitation of concrete in three shades of grey adds a new and interesting character to any room.

The Softcement collection is recommended to customers that would like to capture the energy and harmony of subtle and consistent interiors.

A distinct touch

# TACOMA

collection

With a distinct texture, slightly gloss surface and five colour versions  
– Tacoma is a perfect duo formed by design and nature. The collection, inspired by the beauty of stone, will add a touch of originality to every interior and create a marvellous combination with both intense and muted colours.

Lightness in marble

# STATUARIO NUOVO

collection

The bright side of marble elegance. Tiles with a perfectly smooth, near white surface accompanied by dynamic veins in gray shades, will beautifully brighten up the interior and provide it with a unique lightness. They will fit perfectly in the modern glamour style, where together with some intriguing accessories, they will create an interior full of chic character.

Unique style

# ONIX

collection

Large slabs mimicking natural stone are a unique decorative feature. This collection, long awaited by designers, has a certain elegance to it and it can perfectly emphasize a modern character of an interior. The collection will work perfectly with materials such as wood, stone, glass or golden accessories creating stunning and unique compositions together. It will wow and delight, above all, admirers of modern design who are searching for something extraordinary.

DISCLAIMER

While large format tiles can be easier to install compared to smaller tiles, it is still important to follow proper ANSI installation techniques and use the right tools and materials. It is recommended to consult with a professional or refer to the manufacturer's guidelines for specific installation instructions based on the type of tile and the surface it will be installed on.
